**NOTICE TO COURT OF NEW EVIDENCE REPOSITORY**

**Please be advised that XP Task Force is now working with multiple other Plaintiffs and other related cases in support of mutual interests. In order to assist all related Plaintiffs, we are all working to share evidence at the existing Private/Public investigation cloud-based law enforcement repository: BRANCHES, at:**

**<http://globalscoop.net/NEXT>**

**In addition to the many clones of this evidence already online, this repository will provide**

**additional convenience for all. Only a small part of the data has been transferred to the location at this time and much new information will be there by week's end. Hard drives can be uploaded and returned with clones of the system if anyone wishes to send a 3TB hard drive plus shipping expenses.**
